7                   WESTERN DISTRICT OF WASHINGTON  
8                   AT SEATTLE

9 MART LIIKANE,  
10                   Plaintiff,  
11                   v.  
12                   CITY OF SEATTLE, *et al.*,  
13                   Defendants.

14                   Case No. C05-1829L

15                   ORDER DENYING REQUEST  
16                   FOR A CONFERENCE

17                   This matter comes before the Court on plaintiff's request for a conference. (Dkt.  
18 #52). Plaintiff seeks a conference with this Court and defendants to discuss what plaintiff  
19 alleges is defendants' use of fraudulent and inauthentic documents in this case.

20                   As an initial matter, plaintiff's request is not styled or noted as a motion.  
21 Nevertheless, because plaintiff is proceeding *pro se*, the Court will construe his "request"  
22 as a motion. Plaintiff is reminded, however, that if he seeks relief from this Court, he  
23 must follow the Local Rules and Federal Rules of Civil Procedure regarding motions,  
24 particularly Local Rule 7. Furthermore, plaintiff has not shown a need for the requested  
25 conference or identified any specific improper documents.

1 Accordingly, plaintiff's request for a conference is DENIED.
